SAPS Meeting All In 2026, organized by SAPS ACADEMY, aims to bring together more than

+40 WORLD CLASS SPEAKERS
GATHER A MAXIMUM OF **5000** IN-PERSON ATTENDEES.

A COMMUNITY A VISION →

The SAPS Meeting All In 2026 offers an unprecedented comprehensive experience. Our robust academic program is complemented by total immersion courses led by the world's leading experts in the field.

Designed to strengthen professional connections, the event transcends the classroom with exclusive activities that include golf and paddle tennis tournaments and a luxurious social agenda in Cap Cana. It concludes with its traditional farewell party featuring a world-class artist. We look forward to seeing you in Cap Cana for this unique combination of scientific excellence and first-class entertainment.

SECOND AUDITORIUM IMMERSION COURSES

THURSDAY, JUNE 4th

1 09:00 – 11:00 | FULL MASTOPEXY IMMERSION

Faculty

Jordi Riba	Primavera Quirot
Radu Ionescu	Reynaldo Llamas
Laercio Moretto	Manuel Chacón
Giovanni Bistoni	Humberto Uribe Morelli

Focus

- Technique execution
- Full Stabilization
- Avoiding Complications

Includes

- Video edited surgery
- Live discussion of surgical pitfalls
- Step by step intraoperative decision-making

11:00 – 11:30 | Coffee Break

2 11:30 – 13:00 | RIB REMODELING IMMERSION: Technique & Safety

Faculty

Raul Manzaneda	Emmanuel Flores
----------------	-----------------

Focus

- Surgical anatomy
- Technique execution
- Patient safety

Includes

- Detailed procedural walkthrough
- Risk management strategies
- Patient selection framework
- Complication prevention protocols"

13:00 - 14:30 | Lunch

3 14:30 – 16:00 | LIPEDEMA MASTERCLASS: Diagnosis to Surgical Strategy

Faculty

Jaume Masia	Primavera Quirot
Heloise Manfrim	

Focus

- Diagnosis
- Surgical approach
- Long-term management

Includes

- Diagnostic criteria and differentiation
- Surgical video demonstrations
- Long-term outcome strategies
- Multidisciplinary management insights

16:00 – 16:30 | Coffee Break

3 16:30 – 18:00 | FEMALE GENITAL REJUVENATION: Aesthetic & Functional Balance

Faculty

Renata Magalhães

Focus

- Surgical techniques
- Functional outcomes
- Patient expectations

Includes

- Technique comparison (trim vs wedge, etc.)
- Complication avoidance strategies
- Patient consultation frameworks
- Real-case outcome analysis

SECOND AUDITORIUM IMMERSION COURSES

FRIDAY, JUNE 5th

1 09:00 | ADVANCED AESTHETIC 10:00 | DERMATOLOGY

Faculty  Camila Madrid

Focus

- Skin quality
- Combination therapies
- Long-term planning"

Includes

- Full-face treatment planning frameworks
- Integration of injectables and devices
- Avoiding overcorrection
- Real patient treatment sequences

2 10:00 | BUILDING A LUXURY PRACTICE 11:00

Faculty  Melinda Anna Farina

Focus

- Branding
- Patient experience
- Pricing strategy

Includes

- Luxury patient journey mapping
- High-ticket pricing models
- Branding do's & don'ts
- Real-world case studies

 11:00 – 11:30 | Coffee Break

3 11:30 | RHINOPLASTY IMMERSION: Step-by-Step 13:00 | Surgical Control

Faculty  Christian Cordero  Sandra Ortega  Ronny Azabache

Focus

- Full surgical workflow
- Tip refinement
- Preservation vs structural

Includes

- Extended surgical video breakdown
- Step-by-step intraoperative decision-making
- Management of challenging cases
- Live discussion of surgical pitfalls

 13:00 - 14:30 | Lunch

4 14:30 | Silimed® Symposium 15:15 | Implant Dynamics: From Surface Science to Surgical Decision-Making

14:30 – 14:36	Opening Presentation Dynamic Behavior Study	 Dr. Giovanni Bistoni
14:36 – 14:42	Case 1 Soft Plus®: Indication, Technique & Outcome Strategy	 Dr. Marzia Moio
14:42 – 14:48	Case 2 Pure Polyurethane: Stability, Planning & Surgical Control	 Dr. Andre Baldin
14:48 – 14:54	Case 3 True Texture®: Precision, Adaptability & Clinical Outcomes	 Dr. Carlos Manfrim
14:54 – 15:00	Case 4 True Texture®: Surgical Decision-Making in Complex Scenarios	 Dr. Laercio Moreto
15:00 – 15:15	Moderated Case Discussion & Q&A	 Dr. Giovanni Bistoni

SECOND AUDITORIUM IMMERSION COURSES

FRIDAY, JUNE 5th

5 15:15 | GalaFLEX: Soft Tissue Support & Long-Term Stability

Faculty

 Giovanni Bistoni
 Lina Rodriguez

 Jerry Chiedester
 Reynaldo Llamas

Focus

- Indications
- Surgical integration
- Outcomes

Includes

- Step-by-step integration techniques
- Case selection criteria
- Long-term stability data
- Real surgical applications

 16:00 – 16:30 | Coffee Break

6 16:30 | PRESERVATION BREAST SURGERY: MIA & Preservé (Integration & Technique)

Faculty

 Manuel Chacón
 Jerry Chiedester
 Lorenz Larcher
 Anna Steve

 Eugenio Chouhy
 Marcio Wallace
 Federico Flaherty

Focus

- Implementation
- Patient selection
- Results

Includes

- Step-by-step preservation techniques
- Integration into daily practice
- Case selection strategies
- Real-case surgical outcomes

SATURDAY, JUNE 6th

1 09:00 | ULTRASOUND IN PLASTIC SURGERY: Safety & Precision

Faculty

 Enrique Tang
 Manuel Chacón

 Carlos Manfrim

Focus

- Safety
- Precision
- Applications

Includes

- Real-time ultrasound demonstrations
- Complication prevention techniques
- Practical clinical applications
- Hands-on interpretation concepts

2 10:00 | ADVANCED BREAST RECONSTRUCTION

Faculty

 Jaume Masia
 Edward Chang

 Phillip Stillaert

Focus

- Complex reconstruction
- Microsurgery
- Symmetry

Includes

- Complex case planning strategies
- Microsurgical technique insights
- Symmetry optimization methods
- Long-term outcome evaluation

SECOND AUDITORIUM IMMERSION COURSES

SATURDAY, JUNE 6th

☕ 11:00 – 11:30 | Coffee Break

3 11:30 – 13:00 | **EXTREME WAIST TRANSFORMATION:
Advanced Body Contouring**

Faculty

 Hector Garcia
 Diego Órdenes

 Reynaldo Llamas

Focus

- High-definition sculpting
- Safety
- Patient selection

Includes

- Advanced liposculpture techniques
- Case-based contouring strategies
- Safety protocols
- Before & after analysis

🍴 13:00 - 14:30 | Lunch

4 14:30 – 16:00 | **SOCIAL MEDIA & DIGITAL MARKETING
IN PLASTIC SURGERY**

Faculty

 Jerry Chiedester
 Melinda Farina

 Mariana Salgar
 Anna Steve

Focus

- Content
- Growth
- Branding

Includes

- Content creation frameworks
- Patient conversion strategies
- Branding vs credibility balance
- Real campaign examples

☕ 16:00 – 16:30 | Coffee Break

5 16:30 – 18:00 | **LUXURY FACIAL PRACTICE:
Positioning & Growth**

Faculty

 Steven Levine
 Michael Lee

 Melinda Farina
 Luis A. Fernández Goico

Focus

- Positioning
- International patients
- Practice growth

Includes

- Personal brand development strategies
- Market differentiation techniques
- High-end patient acquisition models
- Practice scaling insights
